21. (Cancelled)

22. (Cancelled)

23. (Previously presented) The method of claim 17, wherein the amount of polyurethane and second polymer is at least about 0.1 wt% by weight of the composition.

24. (Previously presented) The method of claim 23, wherein the amount of polyurethane and second polymer is at least about 0.2 wt% by weight of the composition.

25. (Previously presented) The method of claim 23, wherein the amount of polyurethane and second polymer is at least about 0.5 wt% by weight of the composition.

26. (Previously presented) The method of claim 17, wherein the amount of polyurethane and second polymer is no more than about 15 wt% by weight of the composition.

27. (Previously presented) The method of claim 26, wherein the amount of polyurethane and second polymer is no more than about 10 wt% by weight of the composition.

28. (Previously presented) The method of claim 26, wherein the amount of polyurethane and second polymer is no more than about 5 wt% by weight of the composition.
